Spring is here,

and what better way to celebrate its arrival than to go outside and do fun activities.

Last week I had the chance to visit Zilker Park in Austin, TX. The park sits just across Lady Bird Lake from Austin's skyline, making it the perfect metropolitan park.

Zilker Park has 351 acres of land where you can run, jog, bike, swim, kayak, and do many more outdoor activities. It is the perfect place to visit to experience spring in its fullest potential.

Whether you are a local or a visitor to Austin, Zilker Park is a must visit. The park is walking distance from many of downtown Austin

destinations. You can spend the whole day at the park, Lady Bird Lake, and Barton Springs Pool. You can walk, jog or ride a bike around Lady Bird Hike and Bike Trail for a quick view.

Whether you stay awhile, or do a quick walk-thru, make sure to check out this amazing city park.

If you want to learn more about the park and things you can do while visiting, go to www.zilkerpark.org.

I encourage you all to go outside and experience spring. You'll be surprised by all the fun activities you will encounter.

SEYMOUR

Here's your chance to win a **\$25 Visa gift card** in honor of St. Patrick's Day: I have hidden a **four leaf clover** somewhere inside the paper.

Be sure to search the entire paper to find the four leaf clover. Once you find it, take a picture and share it on your social media pages (Facebook, Twitter or Instagram), using the hashtag #SeymourSaturdays. This will enter you in a drawing to win the **\$25 Visa gift card**. Good Luck!
