Car Care Corner Pamper Your Ride

(NAPS)—Whether your car is a classic or brand new, keeping it clean and maintained will give you great pride and impress those around you.

• After all, an automobile is one of the biggest investments you can make, yet as soon as you drive it off the lot, it starts depreciating.

A little care, however, can extend your car's life, beauty and value. To help, there's a new Automotive Appearance Care Line from 303 Products that provides a variety of ways to improve your car inside and out, including:

• Superior protection from the harmful effects of UV rays. The Protectant brightens all vinyl, rubber and plastic to keep it looking new, longer; helps prevent fading and cracking; repels dust, lint and staining; and dries with a non-greasy finish. For added convenience, it also comes in a wipe.

• To keep plastic trim looking like new, the Trim Restorer & Protectant also helps restore the original luster of the plastic trim, provides UV protection, and repels dirt, dust and grime.

• The Speed Detailer instantly shines and protects clear coat, fiberglass, plastic, chrome and glass. It blocks the sun's harmful rays, helps protect against fading and keeps the vehicle looking clean between washes.

• For a glossy showroom shine, grab the Quick Wax, which gently cleans and protects paint. You'll get a longer-lasting shine and UV

protection that lasts up to 30 days, helping to prevent color fading. It contains carnauba wax and is 100 percent silicone free.

• If you have a convertible top, the Tonneau Cover & Convertible Top Cleaner is great to help brighten both hard and soft surfaces and remove tough stains...and it rinses residue free.

• For leather, there's the three-in-one complete Leather care solution that cleans, conditions and protects.

It can be easy to pamper your vehicle with the help of a new lineup of car care products that keep it clean and smart inside and out.

protection that lasts up to 30 days, helping to prevent color fading. It contains carnauba wax and is 100 percent silicone free.

• If you have a convertible top, the Tonneau Cover & Convertible Top Cleaner is great to help brighten both hard and soft surfaces and remove tough stains...and it rinses residue free.

• For leather, there's the three-in-one complete Leather care solution that cleans, conditions and protects.

It's safe on all finished leather and vinyl and helps prevent fading and cracking; reduces dust, lint and staining; and is a rinsefree formula—just spray it on and wipe it off.

All these products are available under the 303 Products brand and come from Gold Eagle Co., an industry pioneer in products that help preserve, protect and enhance the performance of autos everywhere. The new products are available at select retailers, including AutoZone, Advance Auto Parts and Amazon.
