

Guten Tag! **Hola!** *Ciao!* **Bonjour!**

Just a few ways to say "Hello" to international high school students

ERDT/SHARE! is looking for **HOST FAMILIES** for international exchange students from nearly 30 countries for the 2007/2008 school year. The students speak English, are covered by medical insurance and have spending money for their personal expenses. Host families provide a bed, meals, as well as friendship, understanding, and a genuine desire to share the American way of life.

Our SHARE! families are diverse! Traditional two-parent families (with or without children), single parents or adults, and retired couples are wonderful host families. High school aged boys and girls from countries like China, France, Germany, Brazil, Turkey, Poland, and Czech Republic, Ecuador, Belgium, and Italy will be arriving mid-August to attend local high schools for one or two semesters.

Persons interested in hosting or obtaining more information can call Yvette or Adriana at **800-941-3738** or visit **SHARE!** at **www.sharesouthwest.org**
