Rock 'n' Roll Dallas Announces a 13.1-Mile Scenic Course of Fun Inaugural Half Marathon and Relay promises bands, cheerleaders and a scenic city tour.

Rock 'n' Roll Dallas 1/2 Marathon has officially released the course map and recently announced a 2-person relay for its inaugural race -- taking place on March 14, 2010 -- plotting out a 13.1 mile route tour that will provide a scenic tour for runners and walkers. "It gives a good foot tour of the City of Dallas," said Kari Logan, a general manager with Competitor Group, which owns and manages the 14 Rock 'n' Roll series events across the country. "It's a nice mix of urban and residential, downtown and the American Airlines Center, Highland Park and Swiss Avenue."

However, a scenic route is not all that this 1/2 marathon and relay offers. On 14 different stages set up along the course, bands of all genres -- from country to pop, rock to rhythm and blues -- are guaranteed to energize runners and onlookers as 16 cheerleading squads from all over the Dallas area will encourage them all the way to the finish line. A complete list of participating bands will be released soon.

"Our plan is to make this race seem more like a block party than a 1/2 marathon," added Logan. "We will have a great roster of bands, amazing cheerleaders and a route that will make you forget that you've been running for 13.1 miles. If that doesn't make someone want to run and dance in the streets, I don't know what will."

In addition to the entertainment aspects of the race, The Competitor Group, Inc. also recently announced a partnership with Susan G. Komen for the Cure, making it the national charity of the first Rock 'n' Roll Dallas 1/2 Marathon.

With global headquarters in Dallas, Texas, Susan G. Komen for the Cure is the world's largest grassroots network of breast cancer survivors and advocates dedicated to discovering and delivering the cures. Through the Marathon for the Cure® program long-distance runners and walkers can join the fight against breast cancer by participating in events like the Rock 'n' Roll Dallas Half

Marathon. Funds raised through the program support groundbreaking research and community outreach in the more than 18,000 communities Komen and its Affiliates serve in the U.S. and around the world.

About The Rock 'n' Roll Dallas Half Marathon

Celebrating its inaugural event in 2010, the Rock 'n' Roll Dallas Half Marathon expects to welcome more than 15,000 runners and walkers on Sunday, March 14. The half-marathon and 2-person relay offers a flat and scenic course that will highlight Dallas' downtown and urban areas. Live bands and several cheer sections will be staged approximately every mile along the 13.1-mile course. A two-day Health and Fitness Expo at the Dallas Convention Center will kick off race weekend, featuring more than one hundred running, walking and fitness retailers, exhibits and interactive clinics. The event will conclude with a concert, which is free and open to the public.
