"Pets of the Week"

BLUE BONNET Blue Bonnet is a beautiful Pit Bull mix, and she's a little more than a year old. She has such a sweet disposition. Just look at that adorable face! She's a playful, friendly girl who loves everyone. Blue Bonnet used to live with other dogs, and little kids before her previous owners surrendered her, so she would be a really great family doggie. She may have some allergies, but they are minor and very inexpensive and easy to treat. Blue Bonnet just wants to play and be your buddy for forever. Please come see her at the SPCA of Texas! And be sure to bring your whole family because she wants to meet everyone, especially your kiddos! #9778590

MAXINE Maxine is a 15-year-old female Persian mix with dilute Calico markings. She may be a senior citizen, but she still has quite a bit of pep left in her. She loves to play with people and toys and will purr loudly to show you how happy she is. She gets along with other cats too, and is declawed on her front paws, so she needs to be an indoor kitty! Her prior owner had to bring her to the SPCA of Texas because they didn't have a home anymore. She had lived with her family since she was a kitten, and it was heartbreaking for them to give her up. If you're looking for a mature, easygoing companion and would like to provide Maxine with a comfortable home for her retirement years, she would love to meet you. She loves attention and sometimes she will playbite, just or fun. Please stop by the Duncanville Petsmart beginning Thursday, 04/08/10. She is also a V.I.P. \$50.00 adoption. She'll be there waiting for you. #9517298
