### What do you look forward to this summer?

I think about going to the Bahamas beach where there is cool water. It is going to be hot over the summer so you just need a break and to cool down. Last time when I was five I went to Bahamas beach over the summer. It was fun because I went with my family. When we left there we had some good food at the popular place called Cheddars. It is going to be fun with my family: Isha, Tierra, Tanicea, Mommy, Granny, Raylon, Jayon, An Quitha An lenn, Melvan, Kim and Alex.

I look forward to going swimming and summer camp on August 16th. I think I will sleep in and go to my friend's house. I will go the mall with my mom. Me and my mom are going to the skating ring. I will

go to Houston to see my grandfather.

I look forward to a vacation with my family and having a good time with them. I am going to the mall all the time. We all just have fun together. I am going with my mom, dad, Tinkey, Granny and my sister and brother. We are going on July 24, 2010.

What I look forward to this summer is going swimming. I will also go to my family reunion. I want to go to the park and to McDonalds. I will so go to my cousins house. I will also get to go see a game. I am going with my family. I will go to Sweetwater for my family reunion. I am going to see my cousins DaDa, Destiny, Daie, my Aunt Shelley and my uncle. I will go to an ice cream place. I love summer!

This summer I would like to own a candy store. I would like to go on a vacation with my whole family. Sometimes I just want to go to sleep and not go to school. My favorite place is to go to parties and sleep over's. I would like to know what you would like to do over the summer? I will go on a vacation in August but I really don't know what day. I would like to go to Disney World with my dad and my mom, mostly my whole family!
