“Pets of the Week”

REGAN Hi folks, this is Regan, a black and white Terrier mix. He is still a pretty young boy as he is only four months old. At that age, as you might expect, he has a ton of energy. But he also has a heart full of love and kisses and would love to be your best buddy. He is very smart and eager to learn everything he needs to know in order to grow up and be the best doggie ever! He is very friendly and gets along with everyone very well including children and other dogs. Regan was transferred to the SPCA of Texas on April 9 to find his new forever home, and he's been waiting very patiently to meet you! So, please come by and see him at the SPCA of Texas so you can play together forever! #10170146

FIXER Meet Fixer, a beautiful, black Domestic Shorthair tabby cat. He is eighteen months old and a nice sized kitty, weighing in at 13 pounds. Fixer is a little shy at first, but he warms up quickly once you spend some time with him. He loves to have his head rubbed and play with kitty toys too. Fixer was surrendered to the SPCA of Texas April 23 because his previous owners had too many animals. Being the young, playful kitty that he is, Fixer would love to go home with you so he can give you lots of love and attention. Just look into his glossy, green eyes and you just can't resist his charm. Come visit Fixer today and see if he is the perfect kitty cat for your family! #10272472
