SARAH

This beautiful, loving girl is Sarah, a 2-year-old, Great Pyrenees mix who was surrendered to the SPCA of Texas on April 8. Sarah's family could not take care of her anymore, so they agreed with the SPCA of Texas that it would be best for Sarah to receive the medical treatment she deserved, and hopefully find a new, forever, loving home. Sarah has a gorgeous, white, curly fur coat. She is a young girl who will need some training, but with positive encouragement and lots of love and treats, she will learn very quickly. She was raised as an outside dog, but she is extremely affectionate with people, so she is looking for a family who she can spend time with inside as well as daily walks outside. Please bring the whole family to come meet Sarah to ensure she is the perfect pet for your family! #12842124

MUFFIN

Hi there! This pretty kitty is Muffin, a 4-year-old, female, Domestic Longhair cat. She has a lovely brown, silver and white coat with a cute, white chin. She also has beautiful golden eyes that are lined with white fur, which makes her look like she's wearing eyeliner. She also has both of her ears notched, which makes her look very unique. Muffin was brought to the SPCA of Texas because her previous owner had too many animals, but she has lived with children and dogs before, so she gets along well with other animals. She is a quiet girl and is pretty laid back, but she enjoys attention too. She would love to come home with you and keep you company, so come and meet her today! #12938772

ASCOT

Hello, this is Ascot, he is 16 years old, black and white cocker spaniel, Ascot was turned in by his owners to a kill shelter, but we made space for this guy because he still has a lot of love to give. Ascot is a really sweet laid back kind of a guy. Ascot likes to be brushed and plays very well with the other dogs at the shelter. Ascot had an opportunity to go on a “field trip” recently with one of our Volunteers who reports he is an extremely good passenger in the car, walks very well on the leash. Ascot deserves better than what has been dealt to him - will you let this sweet gentle guy retire with your family? Come and see Ascot at **Dog & Kitty City**.

CHER

This is Cher she is 2 year old flame tabby, a kind hearted human found little Cher wandering around searching for food and shelter and, of course, love. She is an inquisitive little girl, curious about her surroundings and her fellow residents. She is playful, but enjoys some quiet catnaps too, Cher does not ask for much but in return she will give a lot. Cher is spayed, has all shots and she is microchipped. Maybe you can end her search, by giving her a forever home?
