## "Pets of the Week"

**SNICKERS** This is Snickers she is 6 years old, she was originally adopted from us in 2004. His owners had a baby or two and find that Snickers no longer fits in. Snickers is a very loving cat, loves to eat kitty treats, and also loves a good brushing. This cutie deserves a safe, happy place to be ... in a private home where the children will love him, not replace him. Come meet him and you will want him for your own.

**STORIE** This is Storie she is 6 years old, She was dumped last summer in the parking lot outside the shelter. She is declawed in her front paws. As often happens with declawed cats, she can be a little aggressive with people she does not know, but basically she is an affectionate girl. This sweet girl got a rough deal so we are hoping you will give her a new lease on life and welcome her into your home. She deserves another chance to be safe and warm and loved. Please help her get it.

## "Pets of the Week"

**SADIE** This beautiful girl is Sadie, an extremely sweet and gentle lady who has been at the SPCA of Texas since June 4. Her owners weren't giving her the proper care she deserved, so the folks at the SPCA of Texas worked with her former owners, and they agreed that it was in Sadie's best interest to stay at the SPCA of Texas until she found a new, loving family who would be dedicated to her forever. Sadie is a 2-year-old Pit Bull mix with a brindle coat and a sweet, loving heart. She can be a little shy at first around new people, but once she trusts you, she'll warm right up to you and let you rub her ears and give her lots of scratches. Sadie is heartworm positive, but her treatments are free to her new family at a Metroplex-area VCA Animal Hospital after she's adopted. This will provide the best total care for heartworm positive dogs like Sadie in treatment, as they'll have access to emergency care and overnight stays if necessary. Life has been kind of tough for this sweet girl, and all she really wants is a home where she can feel safe and loved. Sadie will make a loyal, mellow, loving companion for a special family, so come down and meet her today at the SPCA of Texas. Sadie is also a VIP (Very Important Pet) because she has been waiting for her new family for more than 30 days, and she has a special adoption price of \$50! #13261409

Sadie and Daisy are waiting for you at the The SPCA of Texas' Dealey Animal Care Center in Dallas at 362 S. Riverfront Blvd. (S. Industrial Blvd.) near downtown Dallas. Hours are noon to 6 p.m. seven days a week. Regular adoption fees are \$185-\$285 for puppies 0-6 months, \$95-\$195 for adult dogs 6 months or older, \$75 for senior dogs 7 years or older, \$50 for VIP dogs, \$95 for cats, \$125 for kittens, \$75 for senior cats 7 years and older and \$50 for VIP cats. Fee includes spay/neuter surgery, age-appropriate vaccinations, a heartworm test for dogs six months and older, initial heartworm preventative for dogs, a feline leukemia test for cats four months and older, a microchip, a rabies tag and a free leash or cat carrier.

### DAISY

Daisy is a 9-year-old female Domestic Medium Hair mix who has a soft, calico-patterned fur coat and bright eyes. She may be a senior, but she has plenty of love to last a lifetime! Her sweet, brown nose and lovely, green eyes that are lined white white fur make her look like she is wearing eyeliner. Daisy is declawed in the front so for her own protection she should be an indoor only kitty. She came to the SPCA of Texas at the end of June because her previous owner became allergic to her. Daisy is a gentle, sweet girl who loves belly rubs and head scratches, but she does prefer to be the only cat in your life. If you have room in your heart for Daisy, come meet her and fall in love today! #13460988
