CHLOE This is Chloe she is a 4 year old Terrier mix. Chloe came to us from a kill shelter where her time was up. Chloe is an easygoing girl, sweet and calm. She does know how to work it with the 'puppy dog eyes' -- tugs right on the old heartstrings! Would you be willing to make room in your life for this very sweet little girl who deserves so much better than she has gotten so far -- we just know you won't be disappointed!! **Adoption \$225**

RAIN This is Rain she is a 1 year old German Shepherd. She was rescued by one of our volunteers after she was thrown out of a car on the highway. Rain has gained a lot of confidence since she first arrived at the shelter and out of harm's way. She already walks well on a leash, house trained, loves kids, dogs and cats -- has learned to sit, lay and shake and they are working with her on other commands. Come and see our cute Rain at **Dog & Kitty City. Adoption \$225**

BABY Baby is one of the sweetest girls you are ever going to meet. She's a 1-year-old, Catahoula Leopard Dog who has been at the SPCA of Texas since September 8. Her previous owners brought her to the SPCA of Texas because they were moving and could not take Baby with them. Typically Catahoulas are pretty active by nature, and they love to do fun, outdoorsy activities like hunting, herding and playing. Baby has a very playful personality, but she can also be very mellow, quiet and cuddly. She would love a home where she'll get lots of exercise and room to grow. Baby is extremely smart and very affectionate, and she already knows how to "sit," "roll over" and play fetch. She can even jump through hoops, so if you're looking for a pal who would be a great agility dog. Baby is your gal. She has a pretty black and gray speckled coat and a cute little docked tail complete with a sweet and gentle disposition. She's the total package and a big bundle of love, and she just can't wait to become your Baby forever. #14011105

RAGS & SKEETER

This little girl is Rags, a 2-year-old, female, Domestic Shorthair kitten. Like her best friend, Skeeter, she has a lovely black and white fur coat that is velvety soft. Rags and Skeeter were brought to the SPCA of Texas on August 27. Their previous owners had too many animals to care for, so they brought Rags and Skeeter to the SPCA of Texas so they could find a new family who would love them forever. Rags and Skeeter have a very close bond and you will often find them napping together and cuddling, and sometimes even giving kisses. They must be adopted together as they are inseparable, but you'll love having two, playful kitties in your home. Rags and Skeeter would do best with a family that doesn't have small children as they tend to become overwhelmed around youngsters. Rags is the more outgoing kitty while Skeeter is more laid back and quiet. They would make wonderful companions, so please come out and see them today. #13927473 (Rags) and #13927447 (Skeeter)
