"Pets of the Week"

DANA A kindly neighbor spotted Dana, scrounging for food and very pregnant. She was trapped and brought to the shelter the day before her 4 kittens were born. She is a little shy at first, but warms up to a gentle voice and soft pet. She is in foster care with the little family, but they are ready to find their forever homes. Danessa, Dashawna, Dale and Daniel are her kittens. Get your application in early so you can adopt one -- or two? -- of these adorable kittens.

DODGER Dodger and his housemate Sadie have quite a predicament. Their family has been forced to find a new home for them because the little girls in the family developed allergies and asthma - very sad indeed!! Dodger is a little love, he seems to have a smile when he is happy and just wants to be around his people. He is housebroken and crate trained. This little guy weighs just 10 pounds and is a Chihuahua/Corgi mix - a nice combination of breeds - Chihuahua's make good companions and Corgi's (the Queen's dog) are known to be loyal, alert and make good family companions. Because of his size, he would do well in an apartment or a house but would prefer a home with no children. Dodger is not at the shelter but if you would like to meet or ask other questions about this great little guy, please contact mailto:adoptions@dogkittycity.org

GRETCHEN Meet Gretchen! She's an adorable, 9-month-old, Terrier mix with a scruffy blue and white fur coat and a smile that never leaves her sweet face. She is one of the happiest pups at the SPCA of Texas, and she is a social butterfly who makes friends with everyone in a heart beat. Gretchen is an active, playful girl who loves to go on walks and share her toys with her human friends. She is always ready for a play date when you are! She is extremely smart, and she is currently in our training program where she is learning basic obedience like "sit," "down" and "stay." She is one of the best students in the class! Gretchen is a very affectionate girl who likes to give you hugs and kisses and really loves those belly rubs in return. She is working on her house training skills, and with a regular, consistent schedule she will master that in no time! Because she is such a friendly, outgoing girl, she would be a wonderful companion for a family with other dogs, but she would also be great as an only child. She currently has several doggie buddies that she plays with here at the SPCA of Texas every day so she gets her daily dose or recess. Gretchen was transferred from another shelter to the SPCA of Texas on March 7 in hopes of finding her new, loving home. She is now a VIP (Very Important Pet) because she has been with the SPCA of Texas for more than 30 days, and she has a special adoption price of \$50! #103035

Gretchen and Maddy are waiting for you at the SPCA of Texas' Jan Rees-Jones Animal Care Center in Dallas at 2400 Lone Star Drive near I-30 and Hampton Rd. Hours are noon to 6 p.m. seven days a week. Regular adoption fees are \$95-125 for puppies 0-6 months, \$75-95 for adult dogs 6 months or older, \$50 for senior dogs 7 years or older, \$50 for VIP dogs, \$95 for kittens, \$75 for adult cats, \$50 for senior cats 7 years and older and \$50 for VIP cats. Fee includes spay/neuter surgery, age-appropriate vaccinations, a heartworm test for dogs six months and older, initial heartworm preventative for dogs, a feline leukemia test for cats four months and older, a microchip, a rabies tag and a free leash or cat carrier.

MADDY This gorgeous girl is Maddy! She's a 7-year-old Domestic Shorthair mix with stunning green eyes and a beautiful, sleek black fur coat that feels like velvet. Maddy is a very easygoing girl who absolutely loves to sit in your lap.... and she is determined to fit at 17 pounds of herself in your lap! She is very affectionate, and she can be quite conversational when she is in a talkative mood, but she also enjoys a nice, quiet place to just relax and stretch out. Maddy is only seven years old, so she is in the prime of her life. Healthy cats can live to be 20 or even 25 years old in some cases, so she still has plenty of years and more importantly, plenty of love to give a lucky family. Maddy was transferred to the SPCA of Texas from another shelter on February 22. This is her second visit to the SPCA of Texas due to no fault of her own. Maddy was brought to us back in March 2010 because her previous owners were having a baby and decided they could not take on the responsibility of a new baby and their pet. Maddy is looking for a dedicated family who is as loving and loyal as she is. We want her to have the forever family she deserves so much! Please come visit Maddy today and see if she is the perfect pet for your family. #73276
