## Take to the Skies AirFest, An Aviation Extravaganza!

A Festival of Aviation featuring two days of Aerobatic Air Shows takes to the skies in a new location this year at Mesquite Metro Airport with earlier dates for cooler temps over Memorial Day weekend, Saturday and Sunday, May 26 and 27. Just minutes from Dallas and easily accessible across the metroplex, Mesquite provides the perfect home for the Take to the Skies AirFest, previously known as the Summer Balloon Classic & AirFest. We have updated our name with our closer location to reflect our showcase of all types of aviation! Actually, this is not just an event; it is an experience that will affect all of your senses with something to offer every age.

We are proud to honor our military over this important weekend. While we will commemorate those who have served and are serving in our military services throughout the weekend, we have very special Opening Ceremonies at 1:30pm both Saturday and Sunday you won't want to miss! Bagpipers, bands, honor guards, flybys, skydivers and more! 2012 is the Centennial of Marine Aviation and we are proud to have the Trojan Phlyers T28 team represent our Marines.

The City of Mesquite is celebrating its 125th birthday this year and what a party are we going to give them!

Saturday evening features the ever popular "Lite the Nite" balloon glow where the balloons will stand inflated and as the sun goes down you experience the breathtaking sight as the balloons start to glow like huge colorful orbs. The balloons will perform twinkle burns, waves, all burns directed by our event announcer. Weather permitting, this is the one time when spectators may be able to come up close to the balloons, talk to the pilots and see just how everything looks and works. A wonderful experience!

This year we will focus on our Air Shows adding even more excitement as we provide Two Days of amazement for the whole family! Beginning at 2pm each day a variety of airplanes will perform in dramatic flights and aerobatic performances, a thrilling sight for all! The stars of the show are the breathtaking Trojan Phlyers Demo Team with their astounding formation aerobatics that will keep you on the edge of your seat! Piloted by highly decorated combat veteran pilots performing exciting precision close formation aerobatic routines demonstrating the cutting edge performance of the Trojan T28 warbird and the flying expertise acquired in formal military training, the Trojan Phlyers demonstrate high speed action with the roar of the big engines as they fly their historic aircraft rich in military history in a unique and thrilling performance and salute the veterans of our great nation and the men and women who continue to serve and protect us today. Randy Ball will have you feeling the Afterburner with his Vietnam era MiG-17 jet performance where he will pull 8gs and reach speeds up to 700 mph while sometimes flying less than 100 feet off the ground!

Jan Collmer, co founder of the Frontiers of Flight Museum and author of the new book Go Start Something!, will fly his Extra 300L

in maneuvers that will have you biting your knuckles! Mike "Spanky" Galloway, announcer for the famous Red Bull Air Races and other prestigious events will have you jumping in excitement as he announces the show and flies as well! We are still adding performers!

New this year is Viper Airshows awesome performance with the Dallas Stunt Riderz motorcycle team. Jason Newburg puts on an astounding performance with his beautiful Viper Pitts and then joins the Stunt Riderz with smoke and noise racing up the runway!

We are proud to produce the only Aerobatic Air Racing Challenge in the south! Woman against Woman...Julia Wood faces Kate Kyer (both are airline captains!). Man against Man, and here's where the skill comes in...Husband against Wife...Julia against husband Tony Wood. And, they all perform solo aerobatics as well! The Trojan Phlyers will race their warbirds against each other! Teams of two will take to the skies in aerobatic maneuvers in a timed sequence. Cheer your favorites on to win right at the spectator line! After the Air Show be sure to meet all your air show pilots and get their autographs!

Before and after the air shows you will be entertained with helicopters, airplanes, military aircraft, Commemorative Air Force, powered hang gliders and parachutes, skydivers, radio control aircraft and more, in static displays and demonstrations. Flights will be available throughout the day to the public in helicopters, airplanes, biplanes, a DC3 and tethered balloon rides, weather permitting, on Saturday evening before the glow. Wander through concessions of delicious foods, exhibits and booths. The Kids Area has a variety of attractions for different ages. There are a lot of activities for the kids and live music Saturday afternoon. There is so much to see and do!

This year's Take to the Skies AirFest promises to provide something for everyone in an action packed weekend of fun for the entire family! There is something for every age! Bring the whole family and introduce them to the vast wonderful world of aviation and show them how they can become involved. You will love it!

The Take to the Skies AirFest could not exist without sponsors and we are proud to be hosted by the Mesquite Metro Airport, the City of Mesquite, and the Mesquite CVB and sponsored in part by 103.7 Lite FM, Coca-Cola, The Greensheet, and AV Fuel.

Be sure to follow Take to the Skies AirFest on Facebook and Twitter for the latest information, and visit [www.taketotheskiesairfest.com](http://www.taketotheskiesairfest.com) for our schedule and detailed information updated daily. The festival is only \$5 with children under 5 free. Please leave your ice chests, food and pets at home! Do bring your sunscreen and chairs or blankets.

Truly an experience and one you won't soon forget, the Take to the Skies AirFest will take off Saturday, May 26 at 10 a.m. through 9 p.m. and Sunday, May 27 from 10 a.m. to 7 p.m. We'll look forward to seeing you there!
