NOTICE OF DART PUBLIC HEARING

Public Hearing on D2 Subway Supplemental Draft Environmental Impact Statement

IN-PERSON PUBLIC HEARING FOLLOWING COVID-19 SAFETY PROTOCOLS AND PRACTICES

DART, 1401 Pacific Avenue, Dallas, TX 75202; June 25, 2020, Noon to 1:00 p.m.

If you were not able to attend virtual Public Hearings on June 11, DART will conduct an in-person Public Hearing to receive comments on the D2 Subway SDEIS. DART encourages you to consult the latest Dallas County guidance at dallascounty.org/covid-19 in making your decision to attend this event. Attendees must enter DART Headquarters from Akard Street and will undergo temperature screening prior to entry. Face coverings or masks will be required while in the building and social distancing protocols will be in place.

An informational presentation is available at DART.org D2 or through DART Service Area city public access TV channels. Contact DART Community Engagement at 214-749-2543 for information.

The Federal Transit Administration (FTA), in cooperation with Dallas Area Rapid Transit (DART), has completed the Supplemental Draft Environmental Impact Statement (SDEIS) for the D2 Subway Project, a proposed second light rail transit (LRT) line through downtown Dallas that would extend 2.4 miles from Victory Station to the Green Line along Good Latimer Expressway.

The SDEIS is available for review at DART.org/D2. The 45-day public comment period closes June 29, 2020. Contact DART Community Engagement, 214-749-2543, to make arrangements to view a hard copy of SDEIS.

Two alternatives - a Build and a No-Build - are being considered in the SDEIS, with the potential impacts and mitigation identified in a broad range of environmental categories. Potential impacts of the Build Alternative involve: the Magnolia Gasoline Station, 902 Ross Avenue; the St. James A.M.E. Temple, 624 North Good Latimer Expressway; Pegasus Plaza, 1500 Main Street; and Belo Garden, 1014 Main Street.

Written comments can be provided via email to D2@DART.org or in writing to: Ernie Martinez, DART Capital Planning, PO Box 660163, Dallas, TX 75266-7213.

There will be no presentation during the hearing.

If you do not plan to comment, attendance is discouraged.

A transcript of the hearing will be made available after the event at DART.org/D2.
