

YOUTH SCOOP!

April 2016 Edition

Hi Kids,

April 22nd is Earth Day!

This month we celebrate Earth Day, it is important for all of us to do our part in helping the environment. Below are some of my tips on how you can help our planet be a better place to live. If you have suggestions on ways we can help the environment, I'd love to hear them.

SEYMOUR 

Tip #1: Use both sides of every sheet of paper and save scrap paper for recycling.

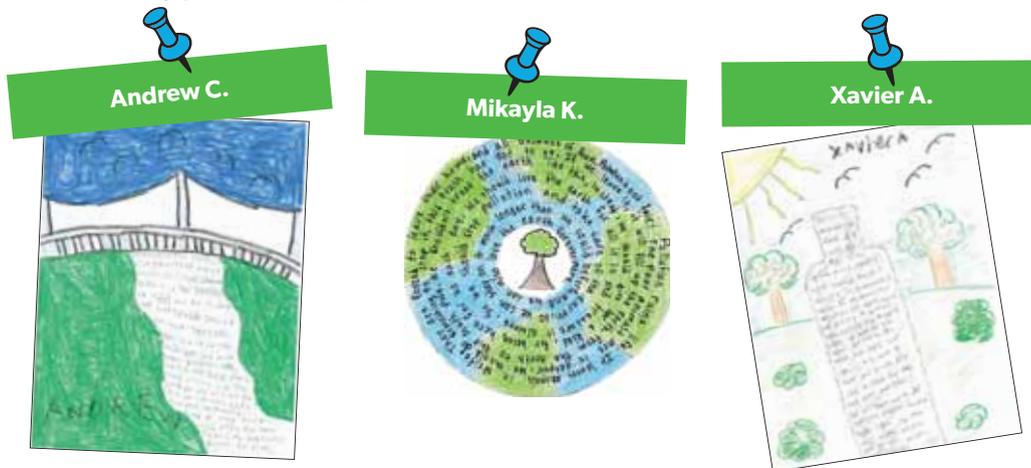

Tip #2: Clean up after your pet. Waste from your pet has bacteria that can harm wildlife. Picking up after your pet can reduce the amount of bacteria that goes into lakes, rivers or streams during a rainstorm.

Have you been involved with Youth Scoop in the past? If so, contact us at : youthscoop@thegreensheet.com. We would love to hear from you!

Congratulations

to our Trash Bash Contest WINNERS!

Here's your chance to win a **\$25 Visa gift card!** My friend **Dewy the water droplet** is hiding somewhere inside the paper. Search the entire paper to find him. Once you find Dewy, take a picture and ask your parent or guardian to share it for you on your social media page (Facebook, Twitter or Instagram), using the hashtag **#SeymourSaturdays**.
