Avoid Pet Scams

NEVER

- Respond to email/text only pet offers
- Respond to out-of-state offers
- Purchase pets from someone promising a free pet for the cost of shipping
- Send or wire money to people you have never met
- Purchase a puppy with the promise of getting the registration certificate later

ALWAYS

- Do a web search for the contact information and pictures of pet to see if the information is being used by someone else or has bad reviews
- Request/check references
- Verify parents' registration with the appropriate kennel club on pedigreed pets

WATCH OUT

- If a local telephone number is used and forwards to an out-of-state telephone number
- Avoid discounted prices for purebreds that appear "too good to be true"
- If you are told there will be no refund under any circumstances

If you have been a victim of a pet scam from an ad in our paper, in addition to notifying The Greensheet, please contact the below appropriate organization to also file an official complaint:

Say Hello To "Dandilion"
ID# 148501

Dandilion needs to be homed in a "no children" environment as she is a little unsure of them. You'll quickly come under her awesome, sweet spell of a mix of cuteness and lovable. If you have an adult household, Dandilion may be a good match for you! She has been spayed, microchipped and is current on all age-appropriate vaccinations. Come meet this sweetheart today!

Say Hello To "Atari"
ID# 148230

Meet Atari, a handsome, 4-year-old, male Domestic Medium hair mix cat. He has soft, orange tabby colored fur. He is very friendly & affectionate but his style of play can be a little too rough for small children. Atari has been neutered, microchipped, tested negative for FIV/FelV and is current on all age-appropriate vaccinations.

For more information, please call our main number 214-742-SPCA (7722) available Monday through Friday from 8 a.m. to 5 p.m.
