

YOUTH SCOOP

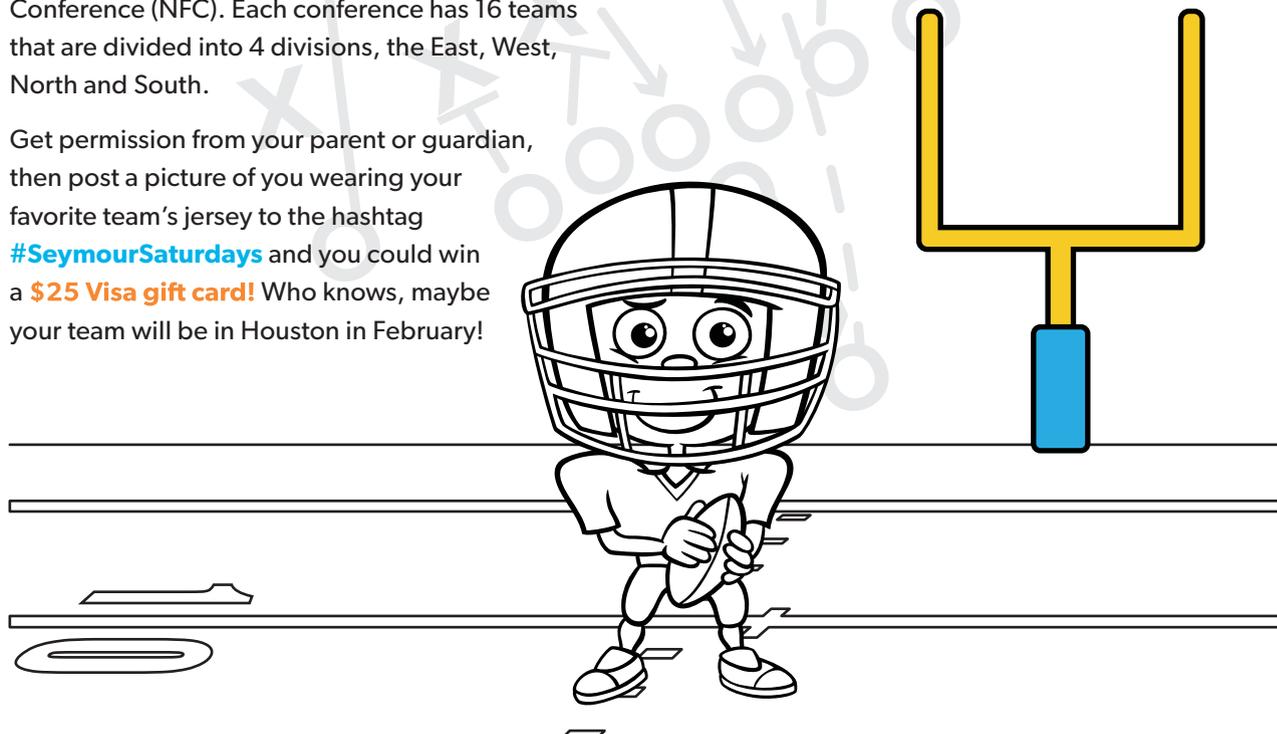

It's September and we're **READY FOR FOOTBALL!**

Football is a contact sport played by two teams of eleven players on a rectangular field with a goal post at each end of the field. American football grew out of English sports like rugby and soccer and became popular on college campuses in late 1800's. The American Professional Football Association (APFA) was formed in 1920 and two years later changed its name to the National Football League (NFL), which is now the professional league of football in the United States. With as many as 200 million people viewing the big game and up to 64% of Americans watching various NFL telecasts, it's incredibly popular.

The NFL is comprised of 32 professional teams divided into 2 conferences, the American Football Conference (AFC) and the National Football

Conference (NFC). Each conference has 16 teams that are divided into 4 divisions, the East, West, North and South.

Get permission from your parent or guardian, then post a picture of you wearing your favorite team's jersey to the hashtag **#SeymourSaturdays** and you could win a **\$25 Visa gift card!** Who knows, maybe your team will be in Houston in February!
